

ENVY¹⁷

HP ENVY 17-1190ea Notebook PC

Windows®. Life without Walls™. HP recommends Windows 7.

Experience truly luxurious computing

The HP Envy17 offers technology enthusiasts an expansive canvas for all their needs (and wants). An ultra-wide display, powerful processor and deluxe software and feature package make it the ultimate choice for mobile computing.

Ultimate power plus elegant style

For your most demanding projects, games or creations, the HP Envy17 delivers ultimate performance in a beautiful design. The elegant, laser-etched all-aluminium body is not only durable, it's a feast for the eyes.

Exceptional performance for every task

Enjoy super-powered gaming and multi-tasking. Get a dual- or quad-core Intel® processor plus high performance ATI Mobility Radeon™ 5850 discrete graphics with 1 GB of ultra-fast GDDR5 VRAM for outstanding multimedia fun.

Outstanding support you can rely on

A dedicated HP telephone hotline and support agents can answer questions about your HP Envy, help you troubleshoot any problem, or provide next-day shipping for hardware customer service.

Beautiful views wherever you go

The HP Envy17 features a 43.9 cm (17.3") Ultra BrightView display, available in HD, Full HD or even Full HD 3D. Enjoy its breathtaking brightness, colour and clarity with 3D Active Shutter Glasses – for the ultimate 3D experience.

Convenient connectivity

Work the way you want, anywhere. The HP Envy17 offers exceptional connectivity via USB 3.0, Mini-Display Port and HDMI 1.3. Plus, the backlit keyboard and low-light HD webcam help ensure you can easily stay in touch with video chat and messaging.

Because you expect more from technology

Beats™ is the ultimate audio experience: listen to your music exactly as the artist intended. Beats™ Audio is optimised for studio-quality sound, while the Audio Console lets you customise your output through the powerful equaliser.
