HP accessories

**HP 14.0 Privacy Filter**
No more need to worry about prying eyes. This unique HP built-to-fit solution ensures confidential business data, personal information and financial records are visible only to the person sat directly in front of the notebook display.

**HP 15.6 Privacy Filter**
Limit unwelcome “from the side” display viewing, especially when used in constrained or limited spaces with the HP Privacy Filter. The HP Privacy Filter narrows the viewing angle of your notebook display so that people on either side see a dark, blank screen. HP Privacy Filters help you protect your onscreen data by concealing your notebook screen from view by passersby and people seated nearby. The filter diminishes the readability for anyone not seated directly in front of the notebook while maintaining the onscreen resolution for the individual user.

**HP 12.5-inch Privacy Filter**
No more need to worry about prying eyes. This unique HP built-to-fit solution ensures confidential business data, personal information and financial records are visible only to the person sat directly in front of the notebook display.

**HP Docking Station Cable Lock**
The HP Docking Station Cable Lock gives you two locking options: lock the docking station only (which also prevents access to the advanced docking station drive bay) or lock both the docking station and the notebook.

**HP Ultraslim Keyed Cable Lock**
Secure your HP Ultrabook® or laptop PC quickly and easily with the HP Ultraslim Keyed Cable Lock.

**HP 500GB 7200rpm SATA SFF SED Hard Drive**
Add a layer of security to your high-capacity workstation storage solution with the HP 500 GB SATA SFF SED HDD, which includes self-encrypting drive (SED) technology that adds authentication parameters to your drive to help protect your data.

**HP Slim BDXL Blu-Ray Drive**
Quickly and easily back up your data and create and edit professional-quality HD video content with the HP Slim Blu-ray BDXL SATA Drive and integrated CyberLink Media Suite. Enjoy read-write capabilities with CDs, DVDs, and Blu-ray discs.¹²

**HP Mobile USB NLS DVD-RW Drive**
The HP Mobile DVD/RW provides an external companion optical drive to accompany a notebook or mini that does not have an internal drive. The external drive provides CD/DVD support as well as read/write functionality. An AC adapter is included.

**HP 160GB SATA Solid State Drive**
Solid State Drives (SSDs) are fast becoming a real force with respect to storage in the computer industry. With no moving parts, storage is no longer bound by mechanical barriers to higher performance. HP SSDs for workstations offer overall performance typically beyond that of SAS 15k rpm HDDs (Hard Disk Drives).

**HP 1TB SATA 6Gb/s 7200 Hard Drive**
SATA 7200 rpm drives are our standard high bandwidth hard drive storage options; most workstation models are also available with high performance 10K rpm rotation speeds. Storage capabilities range up to a massive 2.0 TB.
