Blu-ray, premium audio and dual headphone jacks deliver uncompromising entertainment (available on selected models)

- **Stay connected**

An integrated webcam and dual digital microphones are ideal for social networking and communications

- **Secure user experience**

HP ProtectSmart automatically detects if a notebook has been dropped and, before the notebook hits the floor, automatically stops the hard drive from spinning, helping to prevent the loss of files and data

- **The display that's good for the Earth**

Get crisp, bright images and reduce your environmental footprint. The HP dv6-1330 Notebook PC features an energy-efficient, mercury-free backlit LED display. That's good news for the planet both during and after your display's lifecycle.
